1. The applicant is hereby notified that this International Preliminary Examining Authority transmits herewith the international preliminary examination report and its annexes, if any, established on the international application.
2. A copy of the report and its annexes, if any, is being transmitted to the International Bureau for communication to all the elected Offices.
3. Where required by any of the elected Offices, the International Bureau will prepare an English translation of the report (but not of any annexes) and will transmit such translation to those Offices.
4. **REMINDER**

The applicant must enter the national phase before each elected Office by performing certain acts (filing translations and paying national fees) within 30 months from the priority date (or later in some Offices) (Article 39(1)) (see also the reminder sent by the International Bureau with Form PCT/IB/301).

where a translation of the international application must be furnished to an elected Office, that translation must contain a translation of any annexes to the international preliminary examination report. It is the applicant's responsibility to prepare and furnish such translation directly to each elected Office concerned.

For further details on the applicable time limits and requirements of the elected Offices, see Volume II of the PCT Applicant's Guide.

2. Citations and explanations (Rule 70.7)

The documents cited in the International Search Report represent the state of the art. None of these documents, or any relevant combination thereof, reveals the method of producing a cross-linked polymeric support having a multimodal pore structure as described in claims 1-19. Therefore, the claimed invention is not obvious to a person skilled in the art.

Accordingly, the invention as defined in claims 1-19 is novel and is considered to involve an inventive step. The invention is industrially applicable.
